

FUGITIVES' DRIFT

R O R K E ' S D R I F T

DIRECTIONS FROM FUGITIVES' DRIFT TO PRINCE IMPERIAL AND BLOOD RIVER

From Fugitives' Drift proceed towards Rorke's Drift, **TURNING RIGHT at the T-Junction**. Stay on this road (Rorke's Drift will be on your right). **TURN RIGHT onto the D30 towards Isandlwana**. After 9km, **TURN LEFT towards NQUTU**. Go for ± 15km on dirt, until you meet the tar road (R68).

TURN RIGHT on tar for 2km into Nqutu. In Nqutu at four-way crossing/stop street, **CONTINUE STRAIGHT ON (towards Nondweni)**.

Roughly 10km along this tar road, the road becomes a dirt road - at this point, **TURN LEFT onto a smaller dirt road**. Follow this smaller dirt road for roughly 12km (it is single track and you will go over a number of river drains). Eventually you will come towards a large, probably dry river bed and a T-junction.

TURN LEFT at this T-junction which will take you straight down to a bridge/causeway over the river (100m from T-Junction). Go over the bridge and **TURN LEFT - the Prince Imperial Memorial is next to a large tree 100m to your front**.

TRAVEL BACK TO NQUTU ALONG THE SAME ROUTE

In NQUTU, at the four way stop, **TURN RIGHT towards eMondlo**. Exactly 9km along this road, **TURN LEFT to Blood River (nCome)** and drive 10km.

The Zulu Museum is the large pink building on your right. The Boer Museum & Laager of 64 wagons is on the other side of Blood River.

For Dundee, head back to NQUTU and turn right at the four way stop and continue on to Dundee. For Vryheid, continue past the Boer museum at Blood River on a dirt road. This dirt road will take you through to the R33. At the T-Junction with the R33 (a tar road), turn right to Vryheid.
