R O R K E ' S D R I F T

DRIVING DIRECTIONS FROM JOHANNESBURG.

Depart the airport heading South on the N3 following the signs initially towards Johannesburg and then towards Durban, there will be a Toll booth or two too pass through but they are inexpensive, they only take cash or South African credit cards.

Remain on the N3 for 123 km from the airport and you will see an Engen Fuel Station on your left. A good stop for a coffee and snack should you feel the need.

Keep following the N3 South and after a couple of Kms you will pass through the Wilge Toll Plaza. After 35kms from the Toll booth you will see a flat topped large hill in front of you at your 11 o'clock position. Look for and take the exit LEFT to R34 for a very short distance to a T junction then turn LEFT again on R34 and follow for 13 kms until you reach another T- Junction, turn RIGHT on R103 and after 15km turn LEFT on R34 towards VREDE

After another 15km just before the town of VREDE turn RIGHT still on R34 towards MEMEL and NEWCASTLE. It is about 100km to Newcastle from this point.

Entering Newcastle you will hit a T-Junction at a traffic light with a shopping center and several fast food outlets on your left, go RIGHT at this traffic light and follow the road through the centre of the town. Stay on this road through several traffic lights until you pass the big shopping mall and Casino on your right. Soon after you will hit another T-Junction with traffic lights, turn RIGHT on N11 towards LADYSMITH.

After 38km turn LEFT on R68 towards DUNDEE. Entering Dundee you will pass through three sets of traffic lights then the road will turn left into the Main Street. At the second set of lights in the Main Street you turn RIGHT on R33 towards GREYTOWN.

The signboard is on the left of the road.

Follow this road out of town for 14km. (This section has several low speed bumps as it passes through settlements) then turn LEFT on a gravel road with a sign post to RORKE'S DRIFT. Follow this dirt road with quite lovely views for 29km to the settlement of RORKE'S DRIFT. Drive through the settlement and up and over the hill for 3km where you will see a sign on the left to FUGITIVES DRIFT LODGE.

Turn LEFT on D31 which is a narrower secondary road and follow this for 7km until you reach the big black gate with a sign for the Lodge and KHULA on the right. Stop at the gate where the guard will give you a welcome note with directions to your accommodation option. Please note that the gate is closed at 6pm, if arriving after this time please leave the gate as you find it. Follow the road through the reserve keeping a cautious look out for Giraffe, Zebra and other animals. Note that the speed limit in the reserve is 40km/hr.
